

Gary Wade  
Black Creek District  
Eagle Scout Coordinator  
1595 Chainfern Way  
Fleming Island, Florida 32003

Congratulations! Your son is now approaching the rank of Eagle Scout and with this expected honor will be a considerable level of congratulatory exposure in the media and the Black Creek District arena. At this time I would like to solicit your permission to acknowledge your son's achievement, for the use of his name and/or picture in the following venues.

Have your son's picture published on the Black Creek District web site with the other Eagle Scouts that made Eagle the same year as your son. Web site is located at [www.blackcreekbsa.com/advancement](http://www.blackcreekbsa.com/advancement) and would show a picture along with his name and troop.

Black Creek District honors the young men who attain the rank of Eagle Scout the previous year at a special dinner. Your Eagle Scout's picture and scouting bio would be published in the program. This program is disseminated at the dinner only.

Your Scout's name and address is sent to NESA (National Eagle Scout Association) so he may be registered in this organization. The Eagle Scout Dinner pays all registration fees.

The local press generally attends the Annual Eagle Dinner and publishes an impressive article about all Eagles honored at the dinner, which includes pictures and the names of those Eagle Scouts honored.

If you have any concerns or would like more information, feel free to contact me at (904) 710-6357. Please sign this authorization and return in a stamped addressed envelope.

Thank you,

Gary Wade  
Black Creek District  
Eagle Scout Coordinator

I authorize the release of my son's name, address and picture for the above mentioned reasons.
