## Letter from the Key 3

*Having just finished Camporee and looking forward to Cuboree as we write this, it is evident we have a great district with tremendous volunteers, who know how to make the best of the N. FL weather we have been blessed with. There aren't words to express the thanks we owe Richard Knoff, Ruth Ann Baxley, Alison Duval and Robert Midgett for organizing these events, and all the others who made them a reality. The young smiling tired faces are all the thanks they ask for. More help is always welcome. Please check the Black Creek calendar for opportunities. If in doubt, you can learn all there is to know at Roundtable the 1st Thursday of each month at Asbury United Methodist Church. Nov brings Introduction to Outdoor Leadership Skills (IOLS) Nov 12-13, Adult Leadership Recognition Dinner Nov 18 (who will have the best table decoration?) and Council Frog Jog Nov 19-21. Thanks to each and every one for your support in Scouting.*

### Ward's Words

WOW!! We have had an excellent year recruiting so far, and the year is not over yet! Black Creek has seen an increase in total membership of over 5% when compared with last year. That's over 100 more families involved in Scouting in Clay County! Great Job Unit Leaders welcoming all the new Scouts!  
 Camporee was AWESOME!! Great time at Camp Blanding!! Richard Knoff and RuthAnn Baxley deserve great big kudos for a job well done putting everything together. Thanks to all the rest of the staff as well!!  
 Cuboree-100th Anniversary Edition- was Terrific!! Sooo many thanks to Alison Duvall for her leadership !!!

### Cub Scout Update

Thank you to all the families that enjoyed Cuboree 2010! Our centennial year Cuboree was chocked full of Cub Scout adventure! A big recognition to our volunteer staff, the Timucan Chapter of the Order of the Arrow, & the Cuboree committee for making this yet another superior Black Creek District event.

- Nov 5-7   IOLS Training

### Activities Update

Hello Black Creek Scouters! We are off to a GREAT YEAR! The number of scouts in the district is up and so far the attendance at the events within the District has been high. With more Scouts in Scouting the need for VOLUNTEERS are even greater. It is imperative that we as leaders "shake the bushes" to get those parents who have been watching from the sidelines as their Scouts enjoy the programs to get in the game. Anything they can do to support not only the Units but the District from being a merit badge counselor to being part of an event committee will be greatly appreciated. The talent is out there we just need to help them to step-up and help. We have some key events coming up for you to plan to attend and bring along the volunteers:

- District Recognition Dinner- November 18<sup>th</sup>, 2010**  
Volunteers needed to help for decorating.
- Webelos Akela Weekend- December 11<sup>th</sup> - 12<sup>th</sup>, 2010**  
Volunteers needed for Activities/Support
- Merit Badge Fair   March 18<sup>th</sup> - 20<sup>th</sup>, 2010**  
Committee members and Merit Badge Counselors needed.

### Popcorn

It's November and Unit Recharter packages have been received and should have been picked up by the units at this point. November 1 is the first official day that the online rechartering can occur. The Commissioner's Staff will be busy working with their assigned Units to ensure that they have received their Recharter packages and are getting them completed online. Please contact your Unit Commissioner or myself - the District Commissioner - if your unit hasn't received their package yet. Your Unit Commissioners are there to answer any questions and assist in getting ALL the Units to officially (and completely) input their Recharters back in on time this year! There are two planned Recharter Nights scheduled at various locations in the District to allow a Unit to show up and have a computer available to input their Unit Recharters; our District Director and District staff members will be available to help answer questions on these nights. Check the District website for dates, times and locations. PLEASE NOTE - The due date this year for ALL units to turn their Recharters in is by the DECEMBER ROUNDTABLE MEETING (2 DEC 2010)!!! Our ultimate goal this Centennial year is 100% On-Time
