

Climbing at Camp Echockotee

We have a new Climbing and Rappelling tower at Camp Echockotee. The tower is 44' tall at the top of the climbing and rappelling routes. The climbing face can accommodate up to three climbers at one time. Currently the use is for Venture Crews and Boy Scout Troops only. Within the next year we hope to work on the Webelos and Cub Scout sides to be able to make the tower available to those units as well.

WE NEED TRAINED BSA CLIMBING INSTRUCTORS.

It takes two or more BSA Trained Climbing instructors to operate a climbing tower depending on the size of your group. BSA Climbing instructors are 18 years old or older, registered members who have attended and passed a NFC Climbing Committee instructor training class.. **This could be you.** We are looking for adult volunteers to help with the operation of the new tower to help bring a quality climbing program to the North Florida Council.

Cost including food is \$40.00

Climbing Instructor training schedule:

Friday Night 7:00 to 10:00PM

Saturday 8:00AM - 8:00PM

Sunday 8:00AM - completion of the rescues

February 8th-10th

Staffed by COPE/Climbing Committee
